Eumundi Writers Festival 2026 Pitching Sessions Application Process

The Eumundi Writers Festival 2026 is excited to offer a limited number of pitching sessions for local writers with Australian based publishing companies who are actively seeking authors. We are seeking both fiction and non-fiction pitches across genres and will do our best to match your work with a publisher. We will prioritise local pitchers.

It we can find that match this will be a fabulous opportunity to speak directly to the decision makers who can help secure a publishing deal. You could be sitting on something brilliant and near-completion, and a targeted discussion with a publisher could get you over the line to finish your manuscript and take it to readers.

The pitching sessions will be fast paced at only 15 minutes and pitchers will be offered either a Zoom or in-person session. To assist with management and to allow as many pitches as possible, pitchers must accept the type of session they are offered.

Expressions of interest are open now – and will close at 5pm on Friday 31/7/26.

To submit an expression of interest applicants will require a conceptually complete and well-developed manuscript. Please email director@eumundiwritersfestival.com.au with the following information -
